I have (for students under the age of 18: My child has):

- had meningococcal immunization within the past 5 years. The vaccine record is attached.

[Note: The Advisory Committee on Immunization Practices recommends that all first-year college students up to age 21 years should have at least 1 dose of Meningococcal ACWY vaccine not more than 5 years before enrollment, preferably on or after their 16th birthday, and that young adults aged 16 through 23 years may choose to receive the Meningococcal B vaccine series. College and university students should discuss the Meningococcal B vaccine with a healthcare provider.]

- read, or have had explained to me, the information regarding meningococcal disease. I (my child) will obtain immunization against meningococcal disease **within 30 days** from my private health care provider or Montgomery County / Fulton County Public Health Office.
- read, or have had explained to me, the information regarding meningococcal disease. I understand the risks of not receiving the vaccine. I have decided that I (my child) will **not** obtain immunization against meningococcal disease.
