

ADJUNCT FACULTY POOL

Applicants for all subject areas are invited to send a cover letter and current CV to adjunctpool@fmcc.edu

After reviewing FM's College catalog, please include in your cover letter your specific area of interest and specify availability for day, evening, or online sections. We are currently developing a pool of applicants, and interviews will be conducted on an as-needed basis. In most areas, the qualifications being sought are a Master's degree in the subject area to be taught. Some teaching experience is preferred.

Areas frequently sought include:

Accounting

Biology-Anatomy, Physiology and Microbiology

Chinese

Developmental Disabilities

English

Gerontology

Health Studies (ability to teach Intro to Allied Health and Professional Ethics in Allied Health)

Italian

Mathematics

Mental Health Services

Nursing Clinical

Psychology

Radiologic Technology Clinical

Sociology

The Sciences: Biology, Chemistry, Physics
