Science and Technology Entry Program

Part-Time Academic STEM Advisor/Tutor

The STEP program at FMCC serves 75 students in grades 7-12 in the Amsterdam School District who are interested in pursuing STEM careers or the licensed professions. FM is seeking applications from creative, energetic and enthusiastic individuals to serve as a part time, Advisor/Tutor for our STEP students. This position is based at the Amsterdam High School not at the college. We are looking for those specifically with the ability and knowledge to tutor/advise in high school **math and/or science courses.**

Qualifications: Bachelor's degree (preferably in a STEM field) and previous tutoring experience required, knowledge and ability to relate to culturally diverse students, and Spanish fluency highly preferred but not required.

Duties include but not limited to academic tutoring, record keeping/database entry, advising a caseload of 35-40 students, etc.

Salary: \$15-\$17 per hour; 25-29 hours per week during the public school academic year; hours vary slightly but will follow a 8 am -3:30 pm schedule. Hours worked will be flexible but it is a Monday-Friday position.

Please send a cover letter describing your ability to work/tutor in STEM related courses specifically, resume and list of three references to:
