Career Websites

**Career Cruising**
Career Cruising is an interactive career resource designed to help you find the right career, explore different career options and/or plan future education and training. See Andrea Scribner in the Student Development Center for the username and password.

**College Central**
College Central is a useful career resource that includes information, podcasts, and videos on several career related topics. It is also a job posting board where you can view jobs that employers post specifically to FM students and alumni.

**Glassdoor**
Glassdoor provides an inside look at salaries, reviews, and interview questions posted by employers as well as reviews of company culture and working conditions.

**America’s Career Info Net**
Career Info Net is a recourse for making informed career decisions. Find assessments, career information, and job search information.

**Occupational Outlook Handbook**
The OOH can help you find career information on duties, education and training, pay, and outlook for hundreds of occupations

**Bureau of Labor Statistics**
View labor statistics throughout the US.

**N.Y.S. Department of Labor**
View job posting throughout NY State
