FM has a variety of services offered to both students and alumni. Need help looking for a job, writing a resume or cover letter, or finding the right career path? Come to the Student Solution Center and make an appointment with the transfer counselor, Andrea Scribner. We have many great online resources including Career Cruising and College Central where you can complete assessments to learn more about your career goals, skills, and learning styles. You can also have the ability to search for careers, schools, and employment opportunities.

There are several career and transfer related workshops offered every semester as well as a transfer fairs each semester where you have the opportunity to meet with representatives from 4 year colleges, and a job fair each spring. For an individual appointment or for additional information, please contact Andrea Scribner at andrea.scriber@fmcc.edu or stop by the Student Development Center.
