## Class 2017 Student Commencement Speech

”Standing in front of this crowd is such an honor for me. I've been dreaming of this day since I left my beautiful country of Senegal in West Africa, my family and friends to come here to the United States to study and to build a future, and here I am; *here we are!* I have found everything I need to succeed and to be happy here, at FM, and I hope the rest of the graduating class has as well.”

Charlene Moreira from Senegal speaks to graduates

Graduate Charlene Beatrice Moreira spoke on behalf of the Class of 2017. Moreira is an International student from Dakar, Senegal. She is a 2008 graduate of Mahamane Alassane Haidara Timbaktu High School and has earned a General Studies degree from FM.

At FM, she was a member of Phi Theta Kappa Honor Society and participated in Students of the World Club, Music Club, Res Life Club, and Theater Club. She plans to earn a Journalism degree to pursue a career as a television news anchor.
