

Your **FM**

# Academic

## Road Map

### FM wants you to succeed

There is a Retention Team committed to your success. You are not alone. There are many resources on campus available to support you and your needs as a student.

#### Professor's Office Hours

Their Office

This should be your first stop if you are having difficulty in a class. Your course syllabus will have your professor's office hours listed.

#### The Evans Library

L-103

This is a great place to start if you need help academically! The library staff are great and can point you in the right direction!

#### The Writing Lab

L-106

Need help revising a paper? Look no further than the Writing Lab.

#### The Math Lab

L-201

Struggling in math or a physical science class? This is the place to be.

## Academic Resources

#### The Learning Center

L-203

Did you know there is tutoring available on campus? Most subjects are covered. Stop here to get started.

#### Accessibility Services

N-107C

If you have a documented disability, you can get accommodations, ex. extra time for tests. Get set up here.

#### Student Development Center

N-107

This is the place to be for all things schedule related. There is also mental health counseling available here.

# Get Connected on Campus

## Are You Eligible for a Grant Funded Program?

TRiO/Quest

L-213

If neither of your parents have a 4 year college degree and you receive significant Pell/TAP grants, you qualify for TRiO. If you have a documented disability, you qualify for Quest.

C-STEP

C-138

You must be a full time student, enrolled in an eligible STEM major, and must qualify by income or be a historically underrepresented minority.

HPOG

C-207M

You must be in a specific healthcare related certificate or degree and meet certain income eligibility.

## What are the advantages to being in a Grant Funded Program?

Exclusive Space on Campus

You have a space to call your own on campus and get connected to other students who want to have a positive experience at FM.

...and free printing!

Academic Advising and Transfer Counseling

Get the one-on-one attention you need from advisors who get to know you and your needs. Like Field Trips? We go on Transfer Trips to four year colleges.

Extra Support When You Need It

Getting through college is tough, but being a part of a grant funded program can give you the support you need to reach your goals. We have a team of tutors, advisors, and counselors all dedicated to your success.

## Still Confused?

Visit Meghan Power (Coordinator of Retention) in the Student Development Center for more assistance getting connected on campus.
